WAYNE INSTITUTE AND NORMAL COLLEGE THE Summer session of this Institution will commence on the 30th inst., under the superintendence of William Robinson, Esq., who has been elected President, and who is at present putting forth every exertion to procure a competent Board of Teachers. the number of teachers complete.

The Institution is divided into three departments—Prima. ry, Academical, and Collegiate-the latter of which is designed solely for the education and training of teachers, while the Academic is intended as a School where boys will be prepared to enter our own Universty, or other Colleges throughout the country ; the Primary Department, as a mere Juven. ille School, and as preparatory to the Academic.
